ACKNOWLEDGMENTS

The *Scio Comprehensive Plan Update* was prepared over a 4-year period from 2014 to 2017 by the City of Scio’s Planning Consultant David W. Kinney and Cathy Martin, Administrative Assistant for the City of Scio. The City gratefully acknowledges the participation of the following people who contributed to the development and review of the comprehensive plan document.

Scio Planning Commission Members and City Councilors

The Scio Planning Commission served as the City’s Citizen Involvement Committee to update the plan. In addition to those Planning Commissioners listed on the cover page, there were other members of the Planning Commission who were integral partners in the development of the updated goals and policies and in the overall review, editing and drafting of the comprehensive plan document. Several long time members of the Scio Planning Commission completed their terms of office or left the Planning Commission before the comprehensive plan update was completed.

Wolfgang Borchard

Carolyn Neve

Michael Ennis

Rebecca Renninger

Nicole Meuret

Mary VanAgtmael

Richard Meuret

Linda Minten

In addition to the Planning Commission, Thomas McDaniel and Carolyn Nunn served on the Scio City Council when the comprehensive plan updates were prepared. They completed their terms of office in December 2016. The Mayor and City Council thank all of the members of the Planning Commission and the City Council for their contributions.

Linn County Geographic Information System (GIS) Staff

The City of Scio extends special appreciation to Scott Valentine and Steve Barnett with the Linn County Geographic Information Systems Department for compiling all of the updated land use data that is included in Chapter 4 “Land Use” and Chapter 10 “Housing” and for preparing all of the maps included in the *Scio Comprehensive Plan Update*.

Department of Land Conservation and Development

Ed Moore, South Willamette Valley Regional Representative, State of Oregon Department of Land Conversation and Development (DLCD) patiently worked with the City staff and consultants throughout the plan update. He edited the plan and provided advice and counsel to ensure the *Scio Comprehensive Plan Update* complies with statewide planning goals, Oregon Administrative Rules and state statute.
