Salem, Oregon 97302

Re: Asbestos Abatement Project

To Whom It May Concern:

The City of Scio is seeking bids on the removal of roofing on an abandoned building soon to be demolished. Enclosed is a copy of the Pre-Demolition Asbestos Bulk Sample Analysis Summary.

The project site is:            Abandoned Building  
   38965 N.W. 1<sup>st</sup> Avenue  
   Scio, Oregon 97374

The scope of work would include:

1. DEQ Notice
2. Roofing Removal: Remove and dispose of approximately "3200" square feet of black tar roofing and the plywood substrate to which it is attached.
3. Description of Removal Method
4. Description of Air Clearance (if required)
5. Disposal Receipts: Describe the manner of material disposal and provide a DEQ disposal receipt.
6. Itemized list of work costs.
7. Other items bidder wishes to insert that are not requested, shall be accepted and reviewed by the City of Scio.

A site visit can be arranged and project questions addressed by contacting Scio City Hall, 503-394-3342. Bids will be accepted through 4:00 p.m. Monday, February 3, 2020.

Sincerely,

Ginger Allen  
Scio City Manager
