

CITY MANAGERS REPORT
Report Period June 7, 2022 – August 3, 2022

Ginger Allen, City Manager

Sidewalk Blockage: Several citizens have contacted City Hall regarding blockage on public sidewalks. In particular, it is the portable basketball hoops that are being placed on sidewalks and not in a personal driveway. The basketball hoops block a large portion of a sidewalk making it difficult and sometimes impossible to walk on the sidewalk.

Public Works Shop Update: I received an email from the contractor that states, “I have received confirmation that the metal building is scheduled to ship on 9-30-22 and will arrive most likely a week later. The contractor will begin site development in mid to late August.”

PW Utility Worker Recruitment: Ads have been spaced out and places in the Statesman Journal, Democrat Herald, Canyon Weekly, Oregon Association of Water Utilities, PNCWA – Pacific Northwest Clean Water Association, League of Oregon Cities and our city website and Facebook page. The job announcement opened on July 25th and the first round of application reviews is scheduled to take place on August 31, 2022.

City Council Seats: City Council elections announcements have been placed on the city’s website and Facebook page. I have also had the Fire Department assist us by placing the announcement of the seats on their reader board.
