Re: Letter of Support

Dear Lance,

The City of Scio received your letter regarding your application for a large grant for the Phase I development of a 23-acre Mill Creek Park, located off of Kindle Way SE in Stayton.

Scio has a population of 934 people and we currently have just under "two acres of park space". It is our hope to someday purchase land and develop a nice size park for the residents on Scio. But until that day arrives Scio will stand with Stayton and your efforts in developing the Mill Creek Park area.

With Scio's close proximity to Stayton (8 – 10 miles away), we feel this additional park space would be a win for all of the people living within the Stayton/Scio area. Many Scio citizens have told me how they regularly utilized your parks for family events and day use throughout the calendar year.

Scio is happy to pledge 40-man hours of assistance to this project. This can be hours spent by the Public Works crew or by providing administrative support. Please keep me informed as the project moves forward so that we can decide how Scio might be of use to your project.

I look forward to hearing from you!

Sincerely,

Ginger Allen  
Scio City Manager

**Subject:** Lost Shelton Cemetery near Jordan in Linn County, Oregon could use your support!

Dear supporter of Linn County, Polk County, and Oregon history,

My name is Deborah Shelton Barker Lee. I am working on writing an Oregon Historic Cemeteries grant through the Oregon Parks and Recreation Department for funds to provide funding for the fencing and a gate plus targeted headstone restoration at the Lost Shelton Cemetery near Jordan, Oregon. We also have support from the Oregon Black Pioneers to put in a headstone for a freed slave named Rastas Shelton, buried there. This has been a big project because of the challenging location of the cemetery in the foothills of the Cascades where access has been denied due to the weather and steep hill that it lies on. (Pictures are attached.)

Since you are an engaged supporter of Linn County history, I wonder if you would be willing to please email or mail us a letter of support for our project? The Shelton Cemetery was established in the early 1860s in the Santiam Forks area and formally established in 1866 high on a hill near Jordan in Linn County. It was on William S. Shelton Donation Land Claim land. He was the oldest son of Haman and Priscilla Shelton who had come to Oregon from Missouri in 1847--and before that, Virginia. William and Evaline Shelton and their young family came in 1853 to the same settlement area. When William and Evaline Jones Shelton's estate was settled, sometime after 1902, the land was sold. After that, the cemetery became "landlocked" as there was no road up to the cemetery through the fields, and no permission was given until 2006. In anticipation of a family celebration, the Shelton workers were permitted to begin working on the cemetery prior to 2007 when the Shelton family celebrated 160 years in Oregon with tours of the cemetery via horse and wagon. Many who are buried there came to Oregon with the Sheltons on the 1847 James Curl Wagon Train, the largest of 1847, and the first to break over the Barlow Trail in its second year of operation. These families include the Fulkersons, Kimseys, Curls, Sheltons, Cyrus, Thomas, Holman, Turner, Dorris, McLain, Alphin, and many many others of which were county commissioners and legislators before Oregon was a state.

Our cemetery restoration efforts became more doable in 2022 and 2023, when we were allowed access by the current land owner. Access to the cemetery was possible since the area had been logged in 2022 which includes a road to the site. We need to protect this important piece of Linn County and Oregon history, so if you would be willing to write a short letter of support for us, we would really appreciate it!

Thanks for your help. It is due on April 2 but we are working to get it in early so I hope you could please help us out with a letter soon either via the mail or it would be best to email it.

Thank you very much!

Sincerely,

Deborah Lee

RE: Scio Fairgrounds Water System Upgrades

DATE: March 6, 2024

---

Last year the Scio Budget Committee approved a one-time gift of \$7,500.00 for a water system upgrade at the Scio Lamb and Wool Fairgrounds site. This upgrade is to ensure that the fairground site gets into water code compliance with both the City of Scio and the Oregon Health Authorities.

I have been asked several times by city councilors as to the status of the water system upgrade. Having heard of no upgrades thus far, I reached out to the Linn County Lamb and Wool Board and requested that someone come to the March 11, 2024 council meeting and provide council with an update.

I met with board member Loren Kuipers on Tuesday, March 5<sup>th</sup> at 9:30 a.m. and learned that both Loren and Karen Borchard will be appearing before council to give an update on the water system.

RE: Pacific Power Franchise Fee Rates Revisited

DATE: March 6, 2024

At the February 12, 2024 city council meeting staff was instructed to carry over the discussion on a new Pacific Power Franchise Fees Agreement and bring back information on the following items:

**Question No 1:** What, if any, increases has Pacific Power instituted and when?

**Answer:** From Scott Salazar, Pacific Power, Regional Business Manager; "I am following up on the rate increase question that was presented at the council meeting. We had two rate increases in Oregon in January. On January 1, 2024, we had a rate increase of 12.6% which was the combination of several different rate changes including our annual Transition Adjustment Mechanism filing. And on January 10, 2024, we had an increase related to our Wildfire Mitigation Plan recovery of 1.4%. I will not be able to attend the next council meeting."

**Question No 2:** What are other cities charging for their Pacific Power Franchise Fees?

**Answer:**

Millersburg	5%
Mills City	5%
Stayton	7%
Brownsville	5%
Harrisburg	4.5%

*Note: Several of these cities are preparing to increase their rates. They did not indicate when or by how much.*

**Question No 3:** How many light poles are currently in Scio and how much is the annual cost of the light poles?

**Answer:** There are 103 light poles in Scio. The city paid approximately \$13,880.00 from March 2023 through February 2024 for pole lights.

**Question No 4:** Can staff determine if there is are areas around the city that are in need of addition street lights?

**Answer:** After inspecting the Pacific Power Light Pole Map staff found only one city intersection without a pole light: SW 3<sup>rd</sup> Avenue and SW Beech Street.

### **Use of City Franchise Fees**

The use of the Pacific Power Franchise Fee is dedicated to the electricity costs incurred by the City of Scio and for street improvements. The Road Fund has limited revenue streams (Oregon Transportation Tax and City Franchise Fees) thus, the ability to upgrade city streets, repair street signage, sidewalks and set aside grant match dollars is extremely difficult.

RE: City Hall Design Presentation No. 2

DATE: March 6, 2024

---

Architect Scott Beck will be presenting the second renditions of the City Hall Renovation Designs at the March 11, 2024 city council meeting.

The drawings will illustrate the various uses of the Community Activity Center, as well as, the municipal services areas (library, administration and senior services) provided by the City of Scio.

Scott has done a great job of maximizing the existing building space and provides a new look to city hall that will complement Scio's downtown area.

Lastly, by utilizing the existing city hall footprint and saving as much of the existing structure as possible, Scott has reduced the overall renovations costs associated with a new build.

What are the next steps? *If the council approves of the conceptual drawings, staff will:*

1. Enlarge and print conceptual drawings and display the drawings in city hall to solicit public interaction. The conceptual drawings will be on public display for one month, allowing time for questions and comments from the citizens of Scio.
2. During the public display period, staff will seek finance options (i.e. what the borrowing rates are, how much money the city can afford for the renovation project, and what financial institution will provide the funding, etc.).
3. Staff will present public comments and finance options to city council at the April 8, 2024 city council meeting.

Next steps of the project will be determined once updated information is presented to the city council on April 8 2024.

The project completion date will be on or before May 10, 2024.

**Basketball Hoop Permit and Warning Notices:** Spring is right around the corner and basketball hoops will begin reappearing on public right ways throughout town. I will be giving a brief update on the permit applications and warning notices during my city manager report on Monday, March 11, 2024.

**Walking Bridge Entries:** I have directed the public works department to purchase heavy chains to install on bolsters on both sides of the walking bridge to assist with the elimination of motorized vehicle access on the walking bridge except in cases of emergencies.
