## FEES AND COSTS INCURRED BY THE CITY ARE THE APPLICANT'S RESPONSIBILITY

***The application fee is used to cover the costs incurred by the City of Scio in processing the application, including but not limited to: the time spent by the city staff, professional fees for the City Planner, Engineer and/or City Attorney and for the costs to publish hearing notices, recording of documents or other administrative costs.***

***If the application fee does not cover all of the costs incurred by the City of Scio, the applicant/or applicant's representative requesting the land use action will be billed by the City of Scio for the additional costs incurred by the City. The applicant shall pay the City immediately upon receipt of a bill. Failure to pay fees as prescribed in the city's land use fees resolution may result in building permits, utility service connections or other development approvals being withheld until the collection of fee's are paid in full or otherwise resolved.***

***By executing and filing this land use application, the applicant and/or applicant's representative acknowledges and agrees to reimburse the City for any additional costs incurred by the City to process the land use application.***

## APPROVAL CRITERIA

A proposal for a subdivision must comply with the following criteria:

1. The subdivision is consistent with the standards of the Land Division Ordinance, the Zoning Ordinance, other applicable city ordinances, and the Scio Comprehensive Plan.
2. The subdivision is compatible with and will not adversely affect the livability or appropriate development of the surrounding area.
3. Vehicular access to the property is adequate.
4. All necessary public utilities can be provided to the proposed development without hindering service delivery or capacity in other parts of the City.
5. No landlocked parcels will be created. Full and orderly development of the surrounding area can be maintained.
6. Physical characteristics of the property, such as potential soil erosion or landslides, drainage, flooding or other potential natural hazards have been considered and will not be detrimental to the partition or to the surrounding area.

## APPROVAL PROCESS

1. The Scio Planning Commission will hold a public hearing and make a decision to either approve or deny the proposal. A written notice of decision will be issued by the City. Notice shall be provided within five (5) days of the Planning Commission's decision.
2. Preliminary Plat approval shall be effective for a period of one-year from the date of the City's notice of decision. The preliminary plat will lapse if a final plat has not been submitted to the City and the Linn County Surveyor within the one-year period.
3. Final Plat. A registered land surveyor must prepare a final plat that complies with ORS 92 and the Linn County Surveyor requirements.
4. City Review and Approval of the Final Plat. The City staff will review the final plat to ensure it is consistent with the approved preliminary plat and that all conditions of approval have been addressed. When all conditions of approval have been met, city officials may sign the final plat and the final plat may be recorded with the Linn County Surveyor.

## FINAL PLAT SUBMISSION

If the application is approved, a final plat will need to be submitted and the applicant must comply with all of the conditions of approval listed in the Notice of Decision approving the preliminary subdivision plat.

The final plat must be reviewed and approved by the city prior to recording with Linn County. The final plat must be prepared and submitted to the City of Scio within one year of the date of the City's Notice of Decision approving the preliminary plat, or the City approval expires.

Once the final plat is approved by the City and the plat is signed by City officials, it must be recorded with Linn County within 90 days.
